

Nostalgic Warehouse Introduces Six Exciting New Knobs!

New Crystal Knobs

Crystal has never been more popular, and we expect these three new knobs to lead the trend. Each knob is crafted from real lead-crystal, creating amazing clarity and brilliance. The Round Clear Crystal (RCC) and Oval Clear Crystal (OCC) knobs are a perfect match for Rustic and Arts & Crafts homes. The OFC coordinates well with anything “fancier”. All three knobs can be ordered with any Nostalgic Warehouse rosette or long plate in your choice of seven beautiful finishes.

New Porcelain Knobs

Nothing says Rustic more than porcelain knobs. Their beauty and durability led to universal popularity in the 1800's and 1900's. And, with the right rosette or long plate, they continue to look great – even hundreds of years later. The three porcelain knobs below join our ever-popular pure white knob to create a wide range of design choices. Porcelain knobs can be ordered with any Nostalgic Warehouse rosette or long plate in your choice of seven coordinating finishes.
